

THE
LOOP

DESIGNED AROUND YOU

DESIGNED AROUND YOU.

Spanning an incredible city block is The Loop, a carefully designed community within a community in the heart of South Surrey. The Loop offers 2, 3 & 4-bedroom townhomes in a lush, tree-filled setting right in the middle of it all! When you step inside a Gramercy home, know that every element has been designed around you, around how you live and move. We pride ourselves on creating spaces that are both beautiful and functional.

YOUR PARK. YOUR WAY.

Beyond your back door is an exciting world to discover. Under a canopy of trees, smack dab in the middle of the community, is the Loop Trail. This is where you can lace up your sneaks, walk your dog, chat with neighbors or hit the Scandinavian-style fitness circuit. Feeling more mellow? Unwind by the community firepit while the sun sets and the kids play in the open spaces under the trees.

POST WORTHY PLACES

At The Loop, everything is at your fingertips. On any given day, you could be dipping your toes in the ocean at Crescent Beach, picking up essentials at The Shops at Morgan Crossing, or enjoying the hot tubs, steam room, and “lazy river” at the new Grandview Heights Aquatic Centre. Weekend brunch at one of the many great local restaurants is just a short walk from home. Walking to brunch sounds amazing, doesn't it? Life is good in The Loop.
